### AUTHORSHIP RESPONSIBILITY

I certify that:

- The manuscript represents valid work and that neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere.
- For articles with more than one author, I agree to allow the corresponding author to serve as the primary contact with the Editors in charge of the article, to review the edited typescript and proof, and to make decisions regarding release of information; or, if I am the only author, I will be the corresponding author and agree to serve in the roles described above.
- I have given final approval of the submitted manuscript, which has also passed all internal steps of approval before publication.

### COPYRIGHT TRANSFER

- In consideration of the action of TKS Publisher, in reviewing and editing the submitted article (manuscript, figures, tables and pictures), I hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to TKS Publisher, in the event that such article is published. TKS Publisher retains the right to publish the submitted article through its channels and to be the ONLY access to the article for at least one month from its on-line publication. Hereafter the author can decide to widespread the article through other channels/databases as long as reference to the source is made.
- Should the Contribution contain any material protected by the copyright of others, it is the Author's responsibility to obtain permission from the copyright owner to reproduce any such material in his/her work prior to its submission and subsequent publication. The undersigned agreement will defend and indemnify TKS publisher for, and hold TKS publisher harmless from any loss, expense or damage occasioned by any claim by a third party for copyright infringement.
- The Authors retain the right to reuse any portion of the work, without charge, in future works, including books, lectures and presentations in all media, provided that the publication by TKS publisher is properly credited and the relevant copyright notice is prominently included.
